By Kathleen Piché, L.C.S.W., Public Affairs Director

Over 300 staff, dignitaries and community members enjoyed a multitude of resource booths, art and music on display at San Pedro Mental Health Center in honor of May as Mental Health Awareness Month on May 30, 2013.

City of Los Angeles Councilmember Joe Buscaino, 15th District, was on hand to support the event and received an award from San Pedro Mental Health Program Head Kathrine Lundy, L.C.S.W. California State Assembly member, 70th District, Bonnie Lowenthal, had a booth providing information to constituents, represented by Marisol Barajas.

KJLH provided music for the day, adding flavor to the festivities. A Zumba class was held and one San Pedro staff even sang for everyone. Attendees earned stamps for specific booths they visited and had an opportunity to win gift baskets.

Thanks to Maria Salas and all San Pedro Mental Health staff for putting the event together and making it a success.
